This is us

Our history

A 25 Year
Journey

It did not
Happen
over night

DataCall, a 25 year journey, that allowed the founders to fine tune their experience and create the ideal hosted telecommunications offering, by using best in industry partnerships and future proofed solutions, to suite any working environment

CORE VALUES

“At DataCall we are committed to be your trusted hosted telecommunications provider “

DataCall will help you improve your customer engagement. Move over to the cloud for high-powered business communication and collaboration that adds mobility and teamwork. Its not just about smartphones and tablets anymore, mobility allows information accessibility to your employees and clients **WHENEVER, WHEREVER**
